

# RIYAZ S

## Full Stack Developer

🌐 Portfolio    🐙 Github    ✉️ riyazofficial0@gmail.com    ☎️ (+91) 8270474125    📍 Coimbatore, TamilNadu

## EXPERIENCE

### Web Developer

#### Blaze Web Services

📅 Aug 2023 – Present

- Worked as a full-stack developer for a **Crypto Exchange** platform, I built user interfaces with **React**, designed **RESTful APIs**, and managed databases using **Node**, **TypeScript**, and **MySQL**. And integrates **Third Party APIs** for cryptocurrency exchanges, ensures security with **Firebase** authentication and **JWT** tokens, and manages state with **Redux**.
- Developed a platform enabling users to send likes to preferred athletes for university recruitment. Utilized **Next JS** for front and backend, **TypeScript**, and **Prisma** for backend **RESTful APIs** and database management, **Auth0** for secure authentication, **Stripe** for payment integration, and **React Query** for efficient data handling.

---

### Front End Developer

#### Designosoft

📅 Aug 2022 – May 2023

- Developed and maintained responsive user interfaces (UIs) utilizing **HTML**, **CSS**, and **Bootstrap** to ensure a seamless user experience across devices.
- Created dynamic and interactive web applications using **React JS**, promoting code maintainability and scalability.

## EDUCATION
